

A helping hand

As part of the Corporate Social Responsibility thrust of the Philippine Guarantee Corporation (PHILGUARANTEE), employees from the Corporate Services Group (CSG) conducted a feeding program for children and adult cancer patients at the Center for Health Improvement and Life Development (CHILDHaus) in Ermita, Manila.

On December 16, 2022, the CSG donated gift bags consisting of grocery items and necessities to cancer-stricken individuals for the improvement of their health and welfare.

CSG employees also shared their valuable time and gave Christmas party prize money to those who participated in the light activities conducted.

PHILGUARANTEE aims to take part in the Center's mission of helping cancer patients by providing them temporary homes while undergoing medical evaluations and treatment in different government hospitals in Metro Manila.

Fauna assistance

Representatives from the Priority Sector Guarantee Group donated supplies to Manila Zoological and Botanical Garden (Manila Zoo) on December 20, 2022.

A total of 27 supplies includes seven large trash bins, fifteen stainless steel pet bowls, and five stainless steel food trays as a contribution to the handling and care of animals.

It has been the standing policy of the Manila Zoo to accept donations from both public and private entities and is in the continuous expansion of its collection of animals both locally and from other parts of the world.

The public Recreations Bureau, through its Director in the presence of the Chiefs of the Administrative Division, Zoological, Property and Maintenance Division, and City Security Force and their duly designated representatives accepted the supply contribution.
